1st Year Online Assessment May 2020

Guidelines for Students

- ✓ **Final Online Written Exams Timetable** The final online written exams are well spread out over exam over 6 days, **May 18th-25th** with a maximum of **2/3 subjects per day**.
- ✓ **The 1st Year Online Summer Assessment Overview** provides a very clear and transparent description of the blend of continuous and/or final written assessments in each subject and the weighting of grades.
- ✓ **Continuous Online Assessments** are ongoing during the 1st Year block timetable time slots up until May 15th. Please follow your home study timetable. Online teaching & learning finishes on Friday, May 15th in advance of exam week.
- ✓ **1st Year Online Submissions:** Students should communicate via student email/google classroom with their individual subject teacher if they have any queries or difficulties. The onus is on each student to complete and submit online assignments and final assessments set by teachers.
- ✓ **Stay Calm & Don't Stress:** Please don't become overwhelmed by 1st year summer assessments, you have a lot of the hard work already done for many continuous assessment grades.
- ✓ **1st Year Summer Holidays:** Students are on summer holidays on Monday, May 25th after exams are completed.
- ✓ **1st Year Summer Report** will be issued in June 2020 on VSWare.
