5th Year Online Assessment May 2020

Guidelines for Students

- ✓ **Final Online Written Exams** The final online written exams are well spread out over 6 days from May 18th-25th with a maximum of **two subjects per day**.
- ✓ **The 5th Year Online Summer Assessment Overview** provides a very clear and transparent description of the blend of continuous and/or final written assessments in each subject and the weighting of grades.
- ✓ **Continuous Online Assessments** are ongoing during 5th Year block timetable time slots up until May 15th (no continuous assessments during final exam week May 18th-25th) and some subjects may opt to use May 26th-29th to schedule continuous assessments e.g. Irish orals or for further teaching blocks if required.
- ✓ **5th Year Online Submissions:** Students should communicate via student email/google classroom with their individual subject teacher if they have any queries or difficulties. The onus is on each student to complete and submit online assignments and final assessments set by teachers.
- ✓ **5th Year Summer Report** will be issued as usual in June 2020 on VSWare.
